# FR. BOB'S WEEKLY BLOG

helped put my suffering into perspective. I was no longer the priest attending to the sick person in bed. I was the sick person in bed, and I needed Jesus. Live or die, I needed Jesus. My suffering moved me closer to Christ.

This Sunday is Passion Sunday; a.k.a. Palm Sunday. Holy Week begins. We recall our Lord's suffering, death, resurrection and ascension (Paschal Mystery). We are particularly focused this Sunday on His Passion as we listen to the Passion proclaimed during Holy Mass. We should listen with attentive ears and hearts as Jesus shows us how far love goes for the good of the beloved; all the way to the cross.

People seldom have an indifferent reaction to the crucifix. Some folks see it as an instrument of execution used by the Roman Empire. Others see it as a macabre symbol of death. How should we see it as Christian disciples? We see it as an act of self-sacrificing love. The cross is our redemption. Jesus visually speaks to us, "This is My Body given up for you." He dies our death so that we might have life (zoe) in Him; the life of grace.

Jesus' suffering for us becomes quiet tangible for us when suffering comes our way. We need not suffer alone. We have the Lord. We have our brothers and sisters in Christ. We become more compassionate because we understand. The English word compassion comes from two Latin words: com, which means with, and passio, which means suffering. When we show compassion to each other, we are with someone in their suffering.

Edward Sri writes, "The nails could not have held him fast to the

Cross if love had not held him there first."

The Lord wants us to see that Love is stronger than death. We need not live in fear of death because Christ has eternally overcome death, sin, and evil. Bodily death awaits but so does our being born into eternal life. This world is only heaven's womb. Heaven awaits!

As much of our world descends into distraction, discouragement, deceit, and division, we need to stay focused on Christ, the One who is the way, and the truth, and the life. At the hour of our bodily death (and that day will come), what will matter most? Certainly not the superficialities of the day, the glitz and the glamour of this world, the power plays and obsession with money, power and fame. What will matter most? Love! Love for God. Love for neighbor.

And Jesus shows us what it looks like. Will we follow Him?

**Quote** -- "Our greatest cross is the fear of crosses." --  
**St. John Vianney**

During February 2022, I found myself in a hospital bed for 11 days at Silver Cross Hospital in New Lenox, Illinois. A friend drove me to the emergency room because I was having trouble breathing. After a couple days of delay, I finally had to admit something was seriously wrong physically. I had pneumonia.

The first 24 to 48 hours were touch and go. Doctors and nurses attentively took care of me and watched my vitals and other important numbers. Oxygen was key.

As some of you know, 24 hours is a long time when lying in a hospital bed. I quickly realized I could not watch television. It was too loud and distracting; the exception being a serenity channel that showed beautiful nature scenery with soothing piano music.

What to do each day? Pray! But I also needed something to read. A family member dropped off a book. It was *No Greater Love: A Biblical Walk Through Christ's Passion* by Edward Sri. Outside of the Holy Bible, I could not have asked for a better book for the hospital stay. As I read and pondered the chapters of the book, I would often stop and pray, asking for the intercession of Fulton Sheen and Francis George.

# The W's and How's of SPRED...

## WHAT is SPRED?

SPRED (Special Religious Development) is a program which trains and guides parishes to provide faith formation to persons with developmental disabilities and/or learning problems and become integrated into parish life.

## WHO is served by SPRED?

SPRED serves children and adults with various developmental and cognitive disabilities such as Down's Syndrome, Cerebral Palsy, anyone in the Autism Spectrum, seizure disorders, learning disabilities, etc. Participation starts at the age of 6 and may continue throughout adulthood.

## HOW can faith be nourished in those with developmental disabilities?

A relationship with God is accessible to all. Friendship is the human experience closest to understanding the presence of God in life. By calling to mind life experiences, sharing these experiences in a circle of friendship, the small community of faith becomes aware of the sacredness of all life and then returns to life changed.

## WHY SPRED?

In SPRED, each person is partnered with a catechist, a model of faith and friendship. As trust is established and friendship deepens, we all become aware of our place in the family of God and celebrate it in our community of faith that extends to the greater parish community.

## WILL my son or daughter or the person in my care participate liturgically and sacramentally in the church?

Sacraments and liturgy are a right of all people and are accessible to all. Participation in a SPRED community helps to facilitate readiness to enjoy the Sacraments with reverence and a new awareness.

## HOW can I or my child participate in the SPRED program?

Contact the Two Holy Martyrs SPRED Chairperson, Ann Smolucha at 773-914-1900 or ann@smolucha.com to facilitate placement. Two Holy Martyrs' SPRED group is for 22 years of age and up. However, we can help place your loved one into an age appropriate group. Please contact Ann if you have any questions.
